ARCHITECT / ENGINEERING SERVICES

ON-CALL STRUCTURE FOUNDATION TESTING SERVICES

NOTICE TO ALL CONSULTING
ENGINEERING FIRMS

SOLICITATION NUMBER S-63-08

The South Carolina Department Of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in geotechnical engineering to provide On-Call Structure Foundation Testing Services for various projects in South Carolina. The SCDOT, at its discretion, may select more than one firm to perform this work. This project will be for a period of approximately three (3) years.

The Selected Firms May Be Required to provide the following professional engineering services including conducting pile driving analysis (PDA) testing, foundation integrity testing, cross-hole sonic logging (CSL) testing, & load test monitoring & geotechnical monitoring of instrumentation & their installation as it relates to bridge approach work. Provide recommendations & reports of the results of the investigations, testing, analysis & instrumentation.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%); past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%); availability of key staff & the ability to mobilize quickly & meet project schedules (25%); DBE utilization plan (5%); & current volume

of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting Firms Interested In Being Considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, FORM SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the State of Certification, Discipline & Percentage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark As "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants Shall Comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT Has Established A Maximum Hourly Rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or approved unit cost basis at the discretion of the SCDOT.

All Proposals Should Be Submitted to Wendy Hollingsworth, Professional Services Manager, Engineering Contracts Office,

Room 118, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 118, Columbia, SC, 29201, no later than 2:00pm, March 23, 2009.

Requests For Copies Of A More Detailed Scope Of Services & all other inquiries contact SCDOT Assistant Bridge Construction Engineer Douglas McClure at (803) 737-1490, fax (803) 737-9945 or via email to McClureDE@scdot.org.

CONSTRUCTION ENGINEERING & INSPECTION FOR S.C.D.O.T.

SOLICITATION NUMBER S-64-08

The South Carolina Department of Transportation (SCDOT) requests a letter of interest & qualifications from consulting firms experienced in performing Construction Engineering & Inspection (CEI) services. These services may include, but not be limited to, certified inspectors to perform inspection & testing on various projects throughout the state in the areas of concrete, foundations, earthwork, drainage & base, erosion control, traffic control, asphalt roadway & asphalt plant. All products will be provided in a format compatible & acceptable to the SCDOT.

These Services Will Be Provided under a three-year on-call contract, renewable annually. The services will be needed statewide & provided on an as needed basis. The SCDOT will select several firms to provide these services.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%); past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%); availability of key staff & the ability to mobi-

size quickly & meet project schedules (25%), & DBE utilization plan (5%), & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting Firms Interested In Being Considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, FORM SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the State of Certification, Discipline & Percentage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required. SCDOT intends to select two firms, with SCDOT deciding which firm to assign to which project.

All Responders Must Visibly Mark As "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants Shall Comply With Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT Has Established A Maximum Hourly Rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or a lump sum basis at the discretion of the SCDOT.

All proposals should be submitted to Wendy Hollingsworth, Professional Services Manager, Engineering Contracts Office, Room 118, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 118, Columbia, SC 29201, no later than 2:00pm, March 24, 2009.

Request For A Draft Scope Of Services or other inquiries should be directed to Leland Colvin, Assistant Construction Engineer, (803) 737-1308 or ColvinLD@scdot.org.

Description: PAIGE POINT BOAT LANDING IMPROVEMENTS
Solicitation Number: IFB 2971/090452
Delivery Point: Beaufort County, SC
Project Summary: Beaufort County Government proposes to make improvements to its existing boat landing at Paige Point near Sheldon, SC. The proposed improvements will allow the general public easier access to Huspah Creek & neighboring water bodies

The boat ramp is located at the terminus of Paige Point Landing Road on Huspah Creek approximately 0.7 miles upstream from the confluence with Whale Branch. The proposed improvements consist of removing the existing ramp & several trees, construction of a new 30' x 114' concrete boat ramp with a 40' x 93' concrete approach slab, an 8' x 140' floating ground out dock, & an 8' x 46' concrete abutment. Stabilization of the ramp side slopes & approximately 135 LF of adjoining shoreline will be achieved using rip-rap revetment at a 2:1 slope. Side slopes above the ramp approach will be stabilized with vegetation

To accommodate the increase in the number of users of the boat ramp, minor improvements will be made to the upland parking area. The proposed site work consists of regrading the parking area, implementing the required erosion control & tree protection, & minor electrical work

CAYCE TENNIS CENTER

**REQUEST FOR QUALIFICATIONS
FOR GENERAL CONTRACTORS**

The Lexington County Recreation & Aging Commission Is Seeking Qualifications from general contractors with experience constructing recreation facilities especially those involving tennis & wellness. The Commission will select firms that it deems qualified to provide a lump sum bid for construction of its new Cayce Tennis Center. The actual tennis courts & appurtenances will be bid as a separate package.

This Solicitation Is To Pre-Qualify The Firms most able to provide a facility constructed to the Owner's plans & specifications. The selection criteria are:

- Past performance
- Experience directly related to the project
- Location of the firm
- References from previous clients
- References from architects
- References from bonding agencies
- Proposed staffing
- Ability to perform in time constraints.

The Facility Will Be Constructed on the Owner's property near Cayce, SC.

The Architect Will Be TiGROUP, 1116 Henderson Street, Suite 200, Columbia, SC 29201. The project consists of construction of 20,000 square foot central building, associated parking & as many as 23 tennis courts. The selected firms will be given the contract documents & asked to competitively bid one against another for the right to enter into a contract for construction. The lowest responsive bidder within the funds available shall be deemed the successful low bidder.

Proposals, Form Of Which Is Left To The Proposer To Meet The Criteria, will be accepted until 2:00pm, on Thursday, March 26, 2009. At that time they will be evaluated & ranked in order with firms selected to provide a lump sum bid price at a later date to be agreed upon by the Commission & those selected. Provide 5 copies of all documents bound together & addressed to:

Wayne M. Reed, AIA
TiGROUP Architects
1116 Henderson Street
Suite 200

**REQUEST FOR QUALIFICATIONS
FROM SPECIALTY CONTRACTORS**

The Lexington County Recreation & Aging Commission Is Seeking Qualifications from specialty contractors with experience in the constructing of tennis courts & their appurtenances. The Commission will select no more than five firms it deems qualified to provide a lump sum bid for construction of the courts at its new Cayce Tennis Center. There will also be a general construction package for the main building, parking & other site work. This will be bid as a separate package.

This Solicitation Is To Pre-Qualify The Firms Most Able to provide tennis courts constructed to the Owner's plans & specifications. The selection criteria are:

- Past performance
- Experience directly related to the project
- Location of the firm
- References from previous clients
- References from architects/engineers
- References from bonding agencies
- Proposed staffing
- Ability to perform in reasonable time constraints

The Architect Will Be TiGROUP, 1116 Henderson Street, Suite 200, Columbia, SC 29201. The project consists of 23 tennis courts (two of which will have spectator seating), fencing, lighting, nets, posts, wind screens & all specialty items. The selected firm(s) will be given the contract documents & be asked to competitively bid one against another for the right to enter into a contract for construction. The lowest responsive bidder within the funds available shall be deemed the successful low bidder.

Proposals, Form Of Which Is Left To The Proposer To Meet The Criteria, will be accepted until 2:00pm, on Thursday, March 26, 2009.
